

... + ... to be a ...

Dear Miss Negroni,
being a lawyer sounds
very interesting. And I love
to talk on the phone. And
I would like to solve people's

problems. When I grow up
I want to be the kind of
lawyer that solves airpl-
ane crimes, like for insta-
nts I think the air plane
blew up because one of
the engines was working
wrong because nobody had
a bomb on the plane. And
I have proof one of the

engines was working wrong

because this man right here

inspected the engine and there

was something wrong with it.

And that's the kind of

lawyer I want to be, but

my only problem is I want

to be a pilot, and a writer

too. I'm probably going to

be a pilot from the age
of 25 to 36. Then be a lawyer from

the age of 35 to 48. Then

be a writer from the age 48

to 50 then be a pilot again

from 50 to 54. Then after

that I'm not sure. But anyway

I really enjoyed the way
I shared about being a lawyer
